

# SFP Transceivers & Direct Attach Cables

## SFP Transceivers

### Cisco Compatible

| Part Number        | Data Transfer Rate | Type              | Connection | Distance |
|--------------------|--------------------|-------------------|------------|----------|
| MO-CS851X3-3CDLM   | 10 Gbps            | Multi mode fiber  | LC         | 300 m    |
| MO-C-S311X2-3CDL10 | 10 Gbps            | Single Mode Fiber | LC         | 10 km    |
| MO-C-S31123CDL20   | 1 Gbps             | Single Mode Fiber | LC         | 20 km    |
| MO-C-S85123-3CLM   | 1 Gbps             | Multi Mode Fiber  | LC         | 550 m    |
| MO-QSFP-40G-LR4    | 40 Gbps            | Single mode fiber | LC         | 10 km    |

### HP Compatible

| Part Number      | Data Transfer Rate | Type              | Connection | Distance |
|------------------|--------------------|-------------------|------------|----------|
| MO-P-ST10G       | 10 Gbps            | Copper            | RJ45       | 30 m     |
| MO-P-S311213CL10 | 1 Gbps             | Single Mode Fiber | LC         | 10 km    |
| MO-P-S85123-3CLM | 1 Gbps             | Multi Mode Fiber  | LC         | 550 m    |
| MO-SP31B33CDL10  | 10 Gbps            | Single Mode Fiber | LC         | 10 km    |
| MO-SFP+2191H     | 10 Gbps            | Multi Mode Fiber  | LC         | 300 m    |

### Juniper Compatible

| Part Number       | Data Transfer Rate | Type              | Connection | Distance |
|-------------------|--------------------|-------------------|------------|----------|
| MO-J-S851X3-3CDLM | 10 Gbps            | Multi Mode Fiber  | LC         | 300 m    |
| MO-EX-SFP-10GE-LR | 10 Gbps            | Single Mode Fiber | LC         | 10 km    |
| MO-EX-SFP-1GE-SX  | 1 Gbps             | Multi Mode Fiber  | LC         | 550 m    |
| MO-EX-SFP-1GE-T   | 10/100/1000 Mbps   | Copper            | RJ45       | 100 m    |

# Direct Attach Cables

## Cisco Compatible

| Part Number          | Data Transfer Rate | Type        | Connection | Distance |
|----------------------|--------------------|-------------|------------|----------|
| MO-SFP-H10GB-CU2M    | 10 Gbps            | SFP+ Cable  | DAC        | 2 m      |
| MO-C-QSFP-H40G-AOC7M | 40 Gbps            | QSFP+ Cable | AOC        | 7 m      |
| MO-C-QSFP-H40G-AOC5M | 40 Gbps            | QSFP+ Cable | AOC        | 5 m      |
| MO-C-SFP-10G-AOC10M  | 10 Gbps            | SFP+ Cable  | AOC        | 10 m     |

## HP Compatible

| Part Number     | Data Transfer Rate | Type              | Connection  | Distance |
|-----------------|--------------------|-------------------|-------------|----------|
| MO-SSC030J9283B | 10 Gbps            | Copper SFP+ Cable | Passive DAC | 3 m      |
| MO-SSC010J9281B | 10 Gbps            | Copper SFP+ Cable | Passive DAC | 1 m      |
| MO-JH236A       | 40 Gbps            | Copper SFP+ Cable | Passive DAC | 1 m      |

## Juniper Compatible

| Part Number            | Data Transfer Rate | Type        | Connection  | Distance |
|------------------------|--------------------|-------------|-------------|----------|
| MO-EX-SFP-10GE-DAC-1M  | 10 Gbps            | SFP+ Cable  | Passive DAC | 1 m      |
| MO-EX-QSFP-40GE-DAC-1M | 40 Gbps            | QSFP+ Cable | Passive DAC | 1 m      |
| MO-EX-SFP-10GE-DAC-5M  | 10 Gbps            | SFP+ Cable  | Passive DAC | 5 m      |

## Benefits of our SFP Transceivers & Direct Attach Cables (DAC)

- Lanview is your go-to supplier for transceivers, DAC, and AOC.
- Cables, etc. that are compatible with all the major brands.
- Contact EET today and see how much you can save on your IT budget.
- Lanview uses the same grade A hardware as the leading vendors.
- And is a strong alternative for more and more customers!
